Section SF 1449 - CONTINUATION SHEET

ADDENDUM TO 52.212-4**TERMS AND CONDITIONS – COMMERCIAL ITEMS**

The following paragraphs have been changed/added to FAR 52.212-4 Terms and Conditions – Commercial Items.

1. Administrative Modifications:

The government may issue unilateral written modifications that do not affect the substantive rights of the parties. Examples of administrative modifications are corrections in the payment office address or changes to the accounting and appropriation data.

2. Payment Procedures:

Contract payments will be processed electronically via EFT through the Defense Finance and Accounting Service (DFAS). Prior to DFAS releasing any contract payment, the contractor must submit a proper invoice using Wide Area Work Flow (WAWF) electronic commerce. After a proper invoice is received, a Government representative will acknowledge acceptance and receipt. After all items are properly submitted, the contract payment will be processed via DFAS electronically.

The contractor must access the WAWF Vendor Tools on the DFAS website and complete the requirements to obtain an active WAWF account. This will allow the contractors to submit invoices via WAWF so that payments can be processed electronically through EFT.

All invoices shall be submitted electronically to DFAS Columbus via <https://wawf.eb.mil/> in accordance with DFARS clause 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports (MAR 2008). The contract will require the type of invoice to be used as "Invoice and Receiving Report (COMBO)". A separate invoice shall be created for each "Ship To" location.

For additional WAWF information, see clause 252.232-7003, ELECTRONIC SUBMISSION OF PAYMENT REQUESTS AND RECEIVING REPORTS (MAR 2008).

Clause FAR 52.213-1, FAST PAYMENT PROCEDURE (MAY 2006), applies only to shipments destined for locations outside the continental U.S. (See 5. below.)

3. Period of Performance:

Base Year: December 6, 2011 through November 30, 2012

Option Year 1: December 1, 2012 through November 30, 2013

Option Year 2: December 1, 2013 through November 30, 2014

4. Delivery:

Delivery orders will be issued and accessed through the Electronic Document Access System (EDA) <http://eda.ogden.disa.mil>. Contractors must complete the on-line registration available at the website in order to retrieve documents displayed there.

Delivery is required 30 days after receipt of delivery order. Delivery to commissaries shall be made between the hours of 7:00 a.m and 3:00 p.m local time, Monday through Friday, excluding official Government Holidays. Delivery orders will contain the delivery location and any other necessary delivery instructions. The contractor can find the delivery address and points of contact information for each store at www.commissaries.com

5. Shipping:

Some delivery locations may require packaging and preparation for overseas shipment, but the contractor is responsible only for shipment to the port. Equipment destined for overseas shipment will be wrapped, blocked, and braced using best commercial practices so that the equipment arrives at destination without damage. Each Outside Continental United States (OCONUS) delivery order will include packing and marking instructions to the shipping port specified in the order. The contractor shall mark each shipment with the name of the contractor, contract number, and requisition number.

6. Be advised that this contract(s) will be posted on <http://www.commissaries.com/business/contracting.cfm> at two distinct points during the procurement cycle:

(1) RECENT CONTRACT AWARDS - The first posting will take place immediately after the contract is awarded and will contain only the base year pricing.

(2) HISTORICAL PRICING - The second posting will take place when it is time for re-solicitation of an existing contract and will contain all CLINs and Sub-CLINs prices of the base period and all exercised options of the contract which is about to expire and is being re-solicited.

7. Be advised that this solicitation will result in one requirements contract where quantities are estimates. See clause 52.216-21, REQUIREMENTS, (OCT 1995) for more details.
