This form is a legally binding, contractual agreement and participating parties who have signed this form are expected to follow through with their annotated commitments. A minimum of 60 days notice is required to deviate from this commitment. "The manufacturer voluntarily agrees to the DeCA delete process, including disposition of excess quantities after 90 days. The delete process will be followed in the event an item fails to meet either the manufacturer's volume projections or the minimum category requirements established by the buyer. The manufacturer agrees that DeCA has no responsibility to sell remaining inventory after 90 days from the date of first notice of intent to delete the item. The manufacturer also agrees that the item should support a reasonable relationship between normal turn volume and the distributor minimum ship quantity by distributor location. Once movement is established, the distributor will not be expected to order in minimum ship quantities that are excessive relative to sales movement."
