NOTICE TO THE TRADE – DeCA NOTICE 15-81

SUBJECT: Club Pack Program – Core Items to be Included in Quarterly/Seasonal Packages

The purpose of this Notice to the Trade is to notify Industry that the Yearly Club Pack (YCP) promotional package will not continue past September 30, 2015. The Club Pack Program will continue through quarterly/seasonal packages to include Fall, Winter, Spring, and Summer. A core list of products – club packs that are offered year round – will be included in these quarterly promotional packages to support our heavy club pack stores and growing customer demand.

The attached spreadsheet includes items listed in the YCP promotional package, but not presented for the Fall. Industry members may submit DeCA Form 40-16s for any of these items they wish to make available in the Fall quarterly/seasonal package. **All forms must be sent to respective Category Managers and received by August 11, 2015.** Category Managers will review all proposals and approve final selections. The approved additional items will be added in a special update to the Fall quarterly/seasonal package.

This same procedure will be used for Winter, Spring, and Summer quarterly/seasonal club packs. Your support for this important program is greatly appreciated. Points of contact regarding this information are Ms. Ryan Martin, Promotions Coordinator, at 804-734-8000, extension 5-2797 and Mr. Charlie Dowlen at extension 4-8385.

Tracie L. Russ
Director, Sales
