NOTICE TO THE TRADE – DeCA NOTICE 20-65

SUBJECT: Update! Deployment Date Change - EBS Power Enterprise

The purpose of this notice is to inform Industry that the October 1, 2020, date published in NTT 20-17 for deploying DeCA's new financial business application, EBS Power Enterprise (PE), has changed.

The new deployment date is October 1, 2021. All current ordering and rollup processes remain unchanged until October 1, 2021.

Over the last several months, deployment challenges presented with COVID 19, as well as changes required in our data interfaces within DoD, necessitate a delay in our deployment for PE. This additional time allows for our team to develop virtual tools and critical interfaces to successfully deploy and sustain PE as DeCA's resale financial management system.

Questions regarding this NTT should be submitted by email to [EBSquestions@deca.mil](mailto:EBSquestions@deca.mil).
