**IMPORTANT INFORMATION
FREEDOM OF INFORMATION ACT (FOIA)**

**SOLICITATION AND CONTRACTS
FOIA AND POSTING NOTICE**

Any award(s) resulting from issuance of this solicitation or quote may be posted in the DeCA Freedom of Information Act (FOIA) electronic reading room at www.commissaries.com. The posting will contain the total contract award amount, as well as any awarded individual contract line item pricing (CLIN and Sub-CLIN). Unexercised option prices will not be published.

In compliance with the provisions of Executive Order 12600, the contract holder may identify to the agency FOIA Officer (foia@deca.mil), within 21 calendar days of the contract award date, any information contained in the contract that it deems to be confidential commercial information. The FOIA officer will review the submission and contact the contract holder with a decision. Failure to identify any such information will be interpreted by the Agency as the contract holder having no such information to identify or withhold from posting in the FOIA electronic reading room.

The postings typically take place at a minimum of two distinct points; upon the initial award of the contract and then again after the final option period has been exercised. However, should a FOIA request for the contract be received in the interim, the contract may be reposted including any awarded contract pricing up to the date of the FOIA request. Unexercised option prices will not be published.

This action is being taken to ensure contract award information is available to the general public, as it was in the past, pursuant to the President's January 21, 2009 memorandum regarding the Freedom of Information Act (FOIA).

52.237-4500 OBSERVATION PERIOD (APR 2004)

The Contractor may be provided an observation period of up to two (2) weeks prior to full take over of services to be performed under this contract. The observation period shall be at no cost to the Government and solely at the option of the Contractor.

During such time, the Contractor is prohibited from interfacing with the current Contractor (if applicable), to include queries as to internal procedures. However, the Contractor may interface with the Government [e.g., Store Director or Quality Assurance Evaluator (QAE)] to determine general work effort required during contract performance.

52.237-4501 RELATIONSHIP BETWEEN GOVERNMENT, CONTRACTOR AND CONTRACTOR PERSONNEL (OCT 1995)

This requirement shall not be construed or interpreted to establish any degree of Government control which is inconsistent with the intent of a non-personal services contract. Contractor personnel or representatives shall be subject to such checks as may be deemed necessary to assure that their presence on the installation does not violate these requirements. No employee will be permitted on the installation when such a check reveals that his presence would be detrimental to the security of the installation or the accomplishment of work. When directed by the Contracting Officer, the Contractor shall remove any employee from an assignment to perform services under this contract for reasons of misconduct or breaches of security in connection with his or her employment. Under such circumstances, replacement cost will be a Contractor expense and not reimbursable by the Government. In other instances, the Contractor shall take appropriate personnel action as required in the event of the employee misconduct in connection with his or her employment.
- e. The services to be performed under this contract shall not require the Contractor or his employees to exercise personal judgement and discretion on behalf of the Government, but rather, the Contractor's employee shall act and exercise personal judgement and discretion on behalf of the contractor.
- f. Contractor and Contractor personnel shall not be considered employees of the Federal Government and shall not be eligible, by virtue of performance under this contract, for payment by the Government of entitlements and benefits accorded federal employees.

- a. In the event of a general or limited mobilization of reserve forces or an emergency which impacts upon contract performance, the contractor shall take whatever measures needed to meet any new demands placed upon him. Such demands may require increased contractor furnished property, materials, extended work hours and increased number of personnel. Added responsibility, as a result of this requirement will be added by change order or supplemental agreement by the Contracting Officer. No price increase shall become effective until approval by the Contracting Officer.
- b. To ensure that Government operations, which depend upon the services provided by this contract, can proceed with no or only minimal disruption, the contractor shall therefore plan for a mobilization or similar emergency and take actions needed to rapidly expand his contract capabilities to meet the exigency. Added responsibilities as a result of this requirement, will be added by change order or supplemental agreement by the Contracting Officer. No price increase shall become effective until approval by the Contracting Officer.

Based on medical center policies in effect, charges may be made to the employee.

52.246-4505 GOVERNMENT PERFORMANCE OF SERVICES (OCT 1995)

a. If, for any reason, the Contractor fails to perform any services covered by this contract, or should an emergency require performance of services beyond the capability of the contractor, the Government may, if the Contracting Officer determines that the mission at the March ARB Commissary is endangered, perform or supplement performance of such contract services with Government personnel. Such performance shall not constitute a breach of contract by the Government.

b. If the Government performs services with Government personnel because of the Contractor's failure to perform, as provided in paragraph "a" above, the Contractor shall permit the Government to use and operate such equipment as necessary to perform the function during a period not to exceed one hundred twenty (120) days at the location covered by the contract. The Government's right to use Contractor equipment, pursuant to this subparagraph b, shall cease in the event of cancellation of the contract. During this period any contractor-owned equipment used by the Government shall be maintained by the Government.

c. The Government shall be entitled to an equitable adjustment for the services, if any, which were performed by the Government personnel due to the Contractor's failure to perform required services. The deduction shall be made in accordance with other provisions of this contract. Government performance of services will not constitute a termination for convenience by the Government within the meaning of the FAR Clause 52.249-2.

CLAUSES INCORPORATED BY FULL TEXT

52.217-8 OPTION TO EXTEND SERVICES (NOV 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor prior to expiration of the contract performance period.

(End of clause)

52.217-9 OPTION TO EXTEND THE TERM OF THE CONTRACT (MAR 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor at least 30 days prior to expiration of the current contract period; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 60 months.

(End of clause)

52.217-4504 EXERCISE OF OPTION (OCT 1995)

Should the Government exercise its option to extend the term of this contract, the rates set forth in the Schedule (Section B) for each option period shall apply, except as provided by the clause entitled "Fair Labor Standards Act

and Service Contract Act - Price Adjustment (Multi Year and Option Contracts)" which is incorporated by reference in the Contract Clauses, Section I of this contract.

52.219-28 POST-AWARD SMALL BUSINESS PROGRAM REREPRESENTATION (JULY 2013)

(a) Definitions. As used in this clause--

Long-term contract means a contract of more than five years in duration, including options. However, the term does not include contracts that exceed five years in duration because the period of performance has been extended for a cumulative period not to exceed six months under the clause at 52.217-8, Option to Extend Services, or other appropriate authority.

Small business concern means a concern, including its affiliates, that is independently owned and operated, not dominant in the field of operation in which it is bidding on Government contracts, and qualified as a small business under the criteria in 13 CFR part 121 and the size standard in paragraph (c) of this clause. Such a concern is "not dominant in its field of operation" when it does not exercise a controlling or major influence on a national basis in a kind of business activity in which a number of business concerns are primarily engaged. In determining whether dominance exists, consideration shall be given to all appropriate factors, including volume of business, number of employees, financial resources, competitive status or position, ownership or control of materials, processes, patents, license agreements, facilities, sales territory, and nature of business activity.

52.232-33 PAYMENT BY ELECTRONIC FUNDS TRANSFER—SYSTEM FOR AWARD MANAGEMENT (JULY 2013)

(a) Method of payment. (1) All payments by the Government under this contract shall be made by electronic funds transfer (EFT), except as provided in paragraph (a)(2) of this clause. As used in this clause, the term "EFT" refers to the funds transfer and may also include the payment information transfer.

(2) In the event the Government is unable to release one or more payments by EFT, the Contractor agrees to either--

(i) Accept payment by check or some other mutually agreeable method of payment; or

(ii) Request the Government to extend the payment due date until such time as the Government can make payment by EFT (but see paragraph (d) of this clause).

(b) Contractor's EFT information. The Government shall make payment to the Contractor using the EFT information contained in the System for Award Management (SAM) database. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the SAM database.

(c) Mechanisms for EFT payment. The Government may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System. The rules governing Federal payments through the ACH are contained in 31 CFR part 210.

(d) Suspension of payment. If the Contractor's EFT information in the SAM database is incorrect, then the Government need not make payment to the Contractor under this contract until correct EFT information is entered into the SAM database; and any invoice or contract financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this contract. The prompt payment terms of the contract regarding notice of an improper invoice and delays in accrual of interest penalties apply.

(e) Liability for uncompleted or erroneous transfers. (1) If an uncompleted or erroneous transfer occurs because the Government used the Contractor's EFT information incorrectly, the Government remains responsible for--

(i) Making a correct payment;

(ii) Paying any prompt payment penalty due; and

(iii) Recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because the Contractor's EFT information was incorrect, or was revised within 30 days of Government release of the EFT payment transaction instruction to the Federal Reserve System, and--

(i) If the funds are no longer under the control of the payment office, the Government is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or

(ii) If the funds remain under the control of the payment office, the Government shall not make payment, and the provisions of paragraph (d) of this clause shall apply.

(f) EFT and prompt payment. A payment shall be deemed to have been made in a timely manner in accordance with the prompt payment terms of this contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the prompt payment due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.

(g) EFT and assignment of claims. If the Contractor assigns the proceeds of this contract as provided for in the assignment of claims terms of this contract, the Contractor shall require as a condition of any such assignment, that the assignee shall register separately in the SAM database and shall be paid by EFT in accordance with the terms of this clause. Notwithstanding any other requirement of this contract, payment to an ultimate recipient other than the Contractor, or a financial institution properly recognized under an assignment of claims pursuant to subpart 32.8, is not permitted. In all respects, the requirements of this clause shall apply to the assignee as if it were the Contractor. EFT information that shows the ultimate recipient of the transfer to be other than the Contractor, in the absence of a proper assignment of claims acceptable to the Government, is incorrect EFT information within the meaning of paragraph (d) of this clause.

(h) Liability for change of EFT information by financial agent. The Government is not liable for errors resulting from changes to EFT information made by the Contractor's financial agent.

(i) Payment information. The payment or disbursing office shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. The Government may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods the payment office is capable of executing. However, the Government does not guarantee that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to the Government. If

the Government makes payment by check in accordance with paragraph (a) of this clause, the Government shall mail the payment information to the remittance address contained in the SAM database.
