NOTICE TO THE TRADE – DeCA NOTICE 22-01

SUBJECT: DeCA's Commissary Click2Go Pricing Available to Industry

DeCA's e-commerce went live with an update on the Commissary's Click2Go (CC2GO) web site on Monday, October 11. The update will allow the public to review all of the e-commerce products and their pricing before signing in. Anyone can build an order before signing in, but order submittal cannot be achieved without completing security protocols to establish authorized customer status.

This procedure was accomplished so our Industry Partners can view pricing and the commissary customer benefits. DeCA is striving each day to improve business practices with our Industry Partners and this is just one step towards that goal.

The Point of Contact for this program is Ms. Sallie Cauthers. You can contact her at sallie.cauthers@deca.mil, (804) 734-8000, extension 48769. Thank you for your continued partnership in all our military savings efforts!
