NOTICE TO THE TRADE - DeCA NOTICE 22-78

SUBJECT: Pensacola NAS Store Reset, September 11-14, 2022

The purpose of this notice is to provide the schedule for the Pensacola NAS Commissary dry, chill, freeze, produce, and pre-packaged meat reset with full dry shelving change out. DeCA will be using cluster POGs over the course of 3-4 days for the Pensacola NAS reset. The reset will be conducted nightly after store closing and the store will reopen the following morning for the customer's new shopping experience. The schedule is as follows:

- Sunday, September 11, reset of dry grocery starting tentatively at 11 p.m.
- Monday, September 12, reset of dry grocery starting tentatively at 11 p.m.
- Tuesday, September 13, reset of dry grocery starting tentatively at 11 p.m.
- Wednesday, September 14, reset of dry grocery starting tentatively at 11 p.m.

In order to complete this aggressive nightly schedule, vendor support, to include DSD, each night, will be extremely important especially for the duration of the store set dates. We are requesting each company participating to send a list of their team members attending NLT July 28, 2022.

The list of categories to be stocked nightly is attached on pages 2 & 3. Category dates are tentatively scheduled and subject to change if necessary.

If you have any questions or concerns, please contact Michael Denny, 804-734-8000, extension 48547, or Thomas Burkett, Chief, Resets and Planograms, 804-734-8000, extension 48918.
