NOTICE TO THE TRADE - DECA NOTICE 23-35

SUBJECT: Mountain Home Reset, March 26th-30th

The purpose of this notice is to provide the schedule for the Mountain Home AFB Commissary dry, chill, freeze, produce, and pre-packaged meat reset with no shelving change out. DeCA will be using cluster POGs over the course of 4-5 days for the Randolph AFB reset. The reset will be conducted nightly after store closing and the store will reopen the following morning for the customer's new shopping experience.

The reset will start at 1930 nightly and end NLT 0800 for each day. Frozen, Dairy and Packaged Meat execution will be determined on site.

As a reminder, in order to complete this aggressive schedule, vendor support, to include DSD each night, will be extremely important especially for the duration of the store set dates. We are requesting each company participating to send a list of their team members attending NLT Feb 15th, 2023.

If there are any additional questions or concerns please contact Michael Denny, Sales Directorate, 804-734-8000, extension 48547 or Thomas Burkett, Sales Directorate, 804-734-8000, extension 48371.
