NOTICE TO THE TRADE - DECA NOTICE – 23-44

SUBJECT: Postponement of Luke AFB Center Store and Fort Buchanan Total Store Reset(s)

The purpose of this notice is to alert all concerned of the postponement of Luke AFB and Fort Buchanan resets, originally scheduled May 7-11 and June 25-29, until a later date to be determined.

Postponing the resets allow an alignment with the Fort Buchanan store renovation(s) and affords Luke AFB additional time for new management team members to arrive.

The Perishable Consumables, Beer and Wine, and Produce teams will still reset Luke AFB Frozen and Produce departments May 7-10. Please reach out to Michael Denny for any additional assistance.

Please accept our apologies for any inconveniences this may cause. Any further information or guidance will be announced with as much advanced notice as possible for future planning purposes.

If there are any questions or concerns please contact Michael Denny, CMS Lead, 804-734-8000, extension 48547 or Thomas Burkett, Chief of Resets, 804-734-8000, extension 86464.
